квалификационной категории

||Welcome to MOSCOW!||

# The Red Square

- One of the most popular sights of Moscow is the Red Square. It is the heart of the city. It's one of the biggest and most beautiful squares in the world.
- St Basil's Cathedral, a unique creation of Russian national art.

- The heart of Moscow is the Kremlin. It was built as an island fortress as it was surrounded by water: by the Moskva River and the Neglinnaya River, which is now under the ground.
- Later the Kremlin became the residence of Moscow princes and tsars.

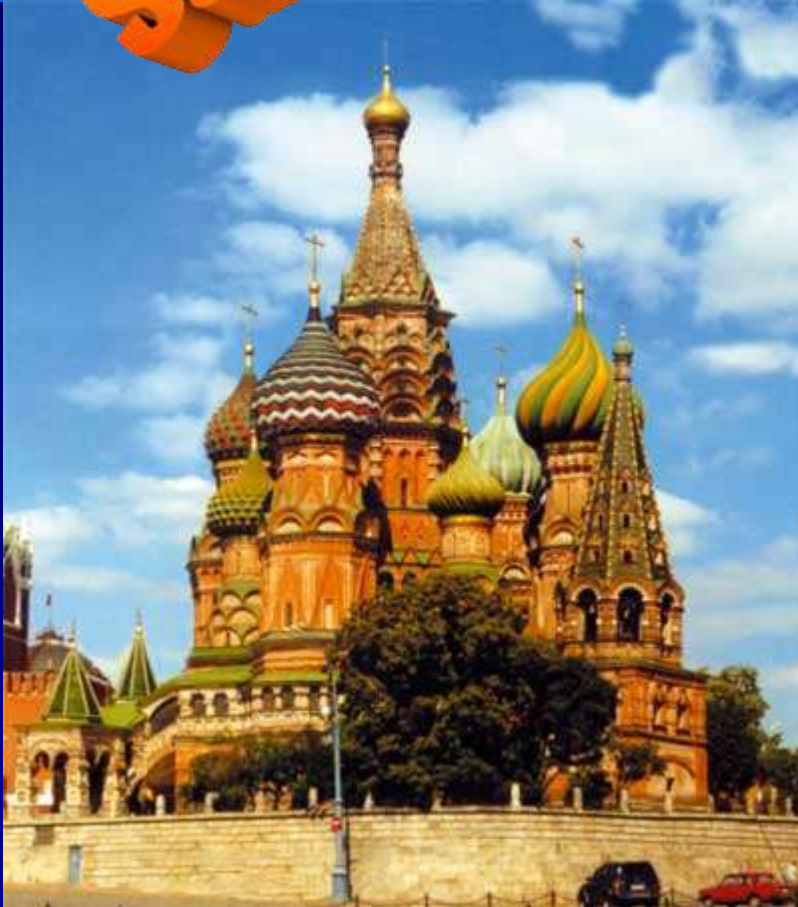

# The Tretyakov Gallery

- It is one of the famous and the well known picture galleries in our country and all over the world
- There is a rich collection of paintings such Russian artists as Serov, Repin, Ivanov, Levitan and others there

# Saint Basil's Cathedral

- You can see a unique creation of Russian national art
- It was erected in the order of Ivan IV (the Terrible) to commemorate the annexation of the Kazan and Astrakhan khanates to Russia

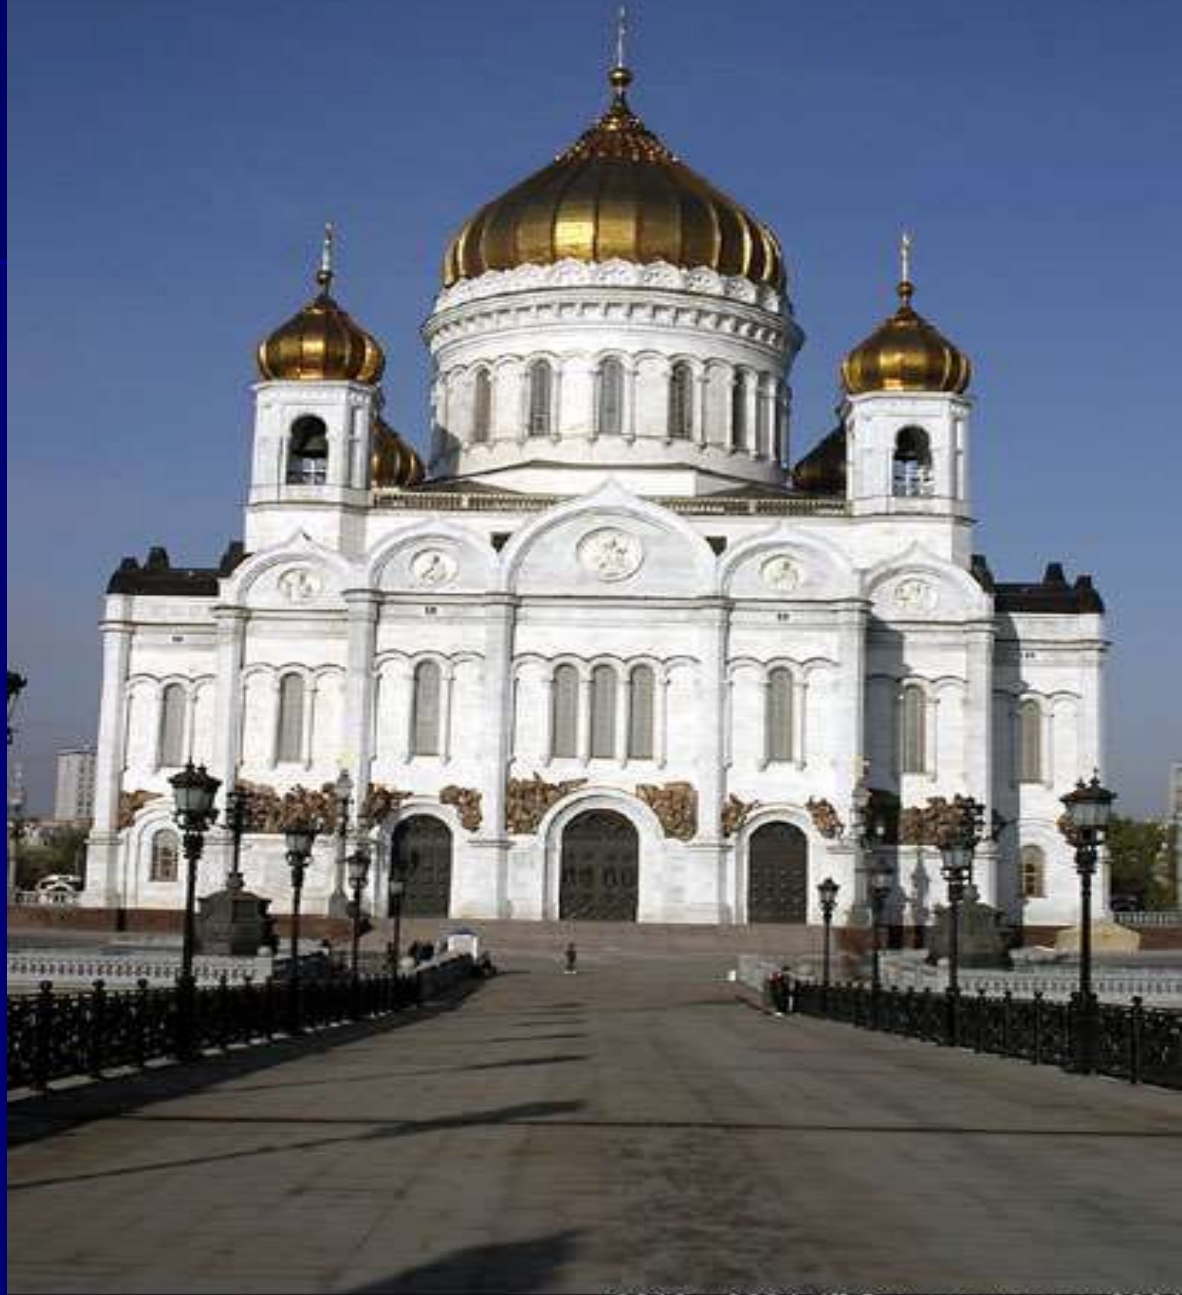

**Moscow is a city well known all over the world. Many tourists come to visit it, to see its places of interest and attractions. Moscow is famous for its beautiful streets, squares, wonderful monuments and museums, churches**
